Subject: Approval of transaction with Related Party

Dear Board Members

This is with reference to the discussion in 120th meeting of Board of Directors held on January 4, 2016 regarding execution of transactions with Connected Persons, wherein the Board members were appraised that under the revised NBFC rules, NBFC cannot enter into transactions including premises leasing or renting, and sale or purchase of any kind with their directors, officers, employees or their close relatives or any person acting on their behalf or such persons who either individually or in concert with family members beneficially own 10% or more of the equity of the NBFC unless NBFCs that have a policy to this effect duly approved by their board of directors.

Therefore, in view of the above, the management proposed the Board to allow the management of the company to enter into transactions with Connected Persons on behalf of the company and the funds under management subject to prior approval of the Chief Executive. Moreover, the transactions would be sent to the Board of Directors on the same day and will be ratified in the subsequent Board Meeting. Following is the extract of resolution passed:
