REPORT OF THE DIRECTOR OF THE MANAGEMENT COMPANY FOR THE YEAR ENDED JUNE 30, 2020

Dear Investor,

On behalf of the Board of Directors, we are pleased to present **MCB Pakistan Frequent Payout Fund** accounts review for the year ended June 30, 2020.

With effect from August 20, 2020, the fund has been converted into Islamic Money Market Scheme from Asset Allocation Scheme and the name has been changed to **Alhamra Islamic Money Market Fund**.

ECONOMY AND MONEY MARKET OVERVIEW

FY20 was a tale of two halves as macroeconomic consolidation process which was on track during the first half was seriously disrupted by the Covid-19 pandemic in the second half. Global cases topped 17 million, while more than 650,000 people became the morsel of death as the fatal outbreak continued to spread throughout the world. The pandemic wreaked havoc on the global economy as worldwide lockdowns lowered the overall consumption patterns along with causing massive unemployment. The IMF predicts that the global economy will shrink 4.9% this year, which would be the worst annual contraction after the Second World War.

On the local front, the economy was locked down at a large scale till May as the health infrastructure was overwhelmed with number of cases. As a result of the output gap, the forecasts for economic growth were lowered to -0.4%, compared to earlier growth expectations of 2.4%. Large Scale Manufacturing (LSM) and Services sector had to bear the major brunt resulting from lockdowns. LSM contracted by 10.3% during the first eleven months of FY20. Amongst the major industries, Automobiles and Iron & Steel witnessed a sharp downfall, declining by 44.8% and 17.0% respectively. Textile with the largest weight in LSM, also contracted by 11.0% after global lockdowns put a halt on exports. Moreover, the Agriculture sector also disappointed as the production of major crops (Cotton, Wheat and Sugar) remained well below the target levels.

Fiscal consolidation was seriously disrupted after the lockdowns caused massive shortfall in tax collection. FBR managed to collect PKR 4.0 trillion against the earlier envisaged target of PKR 4.8 trillion. Till Feb 2020, the tax collection was growing at a rate of ~16% YoY, however during the last four months of the fiscal year, the tax collection saw a massive contraction of ~20% YoY which resulted in a huge shortfall. Alongside, government rolled out a social safety program to insulate masses from vulnerabilities posed by lockdown, which resulted in more than desired expenditures. As a result of this, it is expected that fiscal deficit will fall north of 9.0% of GDP.

Lagged impacts of policy action in terms of monetary tightening and exchange rate adjustments continued to bear fruits as reflected in improvement in Balance of Payments position. The current account deficit during the year contracted by ~78% on Year on Year basis to USD 2.8 billion. A major portion of reduction in current account deficit was explained by decline in Imports of goods and services as it compressed by ~19%, translating into a reduction of USD ~12 billion. Remittances also remained resilient as they increased by ~6% during the year to USD 23.1 billion. Foreign Direct Investment (FDI) stood at USD ~2.5 billion, up 75% compared to last year as renewal of Telecom Licenses and onset of power sector projects fetched new investments. Debt related flows from IMF and multilateral institutions also kept the overall financial flows in the positive zone. Pakistan received USD 2.4 billion from IMF and more than USD ~5 billion were disbursed by the multilateral institutions for various programs. Overall, the financial account generated a surplus of USD ~7 billion. As a result, foreign exchange reserves of SBP grew by USD 4.9 billion during the year to close at USD 12.1 billion. While import cover improved from 1.7x to 2.6x, it is still below the accepted global benchmarks. PKR saw a nominal depreciation of 3.2% against USD during the year to close at 168.2.

Average CPI for FY20 clocked in at 10.8%, compared to 6.8% witnessed during the preceding year. Food inflation was prominent during the year averaging at 14.5%, after supply side weakness caused a spike in the prices of some essential commodities and perishable food items. Sugar prices increased by ~29%, while Wheat flour saw an increase of ~16% during the year. Among perishable items, onion and potatoes witnessed a hike of ~70% and ~65% respectively. However, the inflationary pressures have started trending downwards with inflation for June clocking in at 8.6% as lower petroleum prices along with easing food inflation have put a break on overall inflation. Nevertheless, core inflation as measured by Non Food Non Energy was still controlled and averaged 7.9% for the period.

The MPC committee remained proactive throughout the calendar year and reduced the interest rates by record 625 bps to bring the policy rate at 7.0%. Recessionary pressures due to Covid-19 and lower expectation of inflation were the primary drivers behind the unprecedented move. Alongside, the central bank announced various schemes to lessen the burden of financial emergencies in the system. Nearly PKR 650 billion of loans were deferred by commercial banks for one year, while close to PKR 150 billion of loans were restructured.

Yield curve started to slope downward during the first half of FY20 before the monetary easing started, in anticipation of lower inflation. As the pandemic struck during the start of the calendar year and the recessionary pressures became imminent, central bank pursued aggressive monetary easing and reduced the policy rate by cumulative 625 bps in several

REPORT OF THE DIRECTOR OF THE MANAGEMENT COMPANY FOR THE YEAR ENDED JUNE 30, 2020

meetings. As a result the yield curve further shifted downwards during the period. 3Y, 5Y and 10Y bonds eased off by 632, 577 and 503 bps respectively during the year. The yield curve has again started to slope upwards as the market participants are expecting the interest rates to bottom out.

EQUITIES MARKET OVERVIEW

Similar to economic story, the equity markets were also a tale of two halves. During the first half, investors cherished the gains posted by macroeconomic consolidation with the benchmark KSE-100 index rallying by 19.8%. However, as panic hit equity markets around the globe post novel coronavirus spread, KSE-100 Index was no different. The benchmark index plunged by ~16% in the second half of the fiscal year, reversing most of the gains of the fiscal year. Notwithstanding, the KSE-100 managed to post a nominal positive return of 1.5% for full year of FY20, breaking the streak of two successive years of negative returns. Foreigners selling remained unabated, as they sold USD 285 million of equities, remaining in the red zone for the fifth successive year. Individuals and Insurance companies remained net buyers adding USD 213 and USD 128 respectively to their positions. Daily traded volumes averaged at 194 mn shares (up 26.2% YoY), while daily traded value averaged PKR 7.2 bn (up 10.4% YoY) during the period.

Pharmaceuticals, Construction & Materials & Fertilizers were the major outperformers during the year, posting returns of ~45%, ~43% and ~23% respectively. Pharmaceutical companies were in limelight as Covid-19 unleashed the potential of the sector. Cement sector companies gained traction as interest rates were lowered and the marketing arrangement between the players strengthened. While, fertilizer plays had a decent run as dividend yielding stocks got highlighted after successive interest rate cuts. On the flip side, the major index heavy weights, Commercial Banks and E&P's underperformed the benchmark by posting negative returns of ~14% and ~10% respectively. Commercial banks underperformed as record monetary easing caused NIMS compression, while E&P's underperformance was explained by slump in crude oil prices, after Saudi Arabia started a price war as an agreement wasn't reached between OPEC and Russia. Alongside, a weak global demand amidst the contagious virus added fuel to the fire.

FUND PERFORMANCE

During the period under review, the fund posted a return of 4.40% compared to the benchmark return of 13.05%. On the equities front, the overall allocation in equity was 0.0%. On the fixed income side, the fund's exposure in PIBs stood at 64.7% and in Cash at 27.2%.

The Net Assets of the Fund as at June 30, 2020 stood at Rs.152 million as compared to Rs.254 million as at June 30, 2019 registering a decrease of 40.2%. The Net Asset Value (NAV) per unit as at June 30, 2020 was 99.5100 compared to 102.1021 at June 30, 2019 a decrease of -2.5921.

FUTURE OUTLOOK

GDP growth for FY21 is projected at 2.0% by government and various institutions. Pakistan has essentially survived the first wave of pandemic, as number of daily cases (~1K) have reduced to one-sixth of the peak daily cases (~6K) witnessed during early June. While most of the sectors have been opened, few sectors are still virtually closed and operating below the potential capacity. Barring a second wave of Covid, we expect the economy to fully gear up by the second quarter of fiscal year. A potential vaccine by the end of the calendar year will also allow the global activities to fully resume in the next calendar year. With a lower base and various stimulus measures, we expect government to meet the annual target for GDP growth. Monetary stimulus announced by central bank will pave the way to revive the growth in cyclical industries. Moreover, government's construction package will also provide the much needed impetus to demand led growth.

Balance of Payment worries are over for now as current account deficit has adjusted to reasonable level since the policy actions taken by the central government. The fall of international oil prices to USD 40/BBL has come as a blessing in disguise. Global economy has started to recover and the news flow suggests that the exports are gaining momentum. Remittances have also been far above the general expectations and in fact 50% YoY growth in June has surprised everyone. Even accounting for a 10% decline in remittances, the overall situation will remain in comfortable zone. We expect CAD to settle at 1.6% of GDP in the FY21, which can be easily financed via flows from foreign investments and debt flows. Swift continuation of IMF program will be a key prerequisite to keep the financial account in positive zone. With the current scenario, we expect foreign exchange reserves to further increase by USD 2 billion during the next year, which will help alleviate any pressure on currency.

CPI is expected to tone down to an average of ~7.5% during the next year assuming average oil prices of USD 40/BBL. Central bank has already adjusted the policy rate to 7.0% in the wake of lower expected inflation. The inflation trajectory

REPORT OF THE DIRECTOR OF THE MANAGEMENT COMPANY FOR THE YEAR ENDED JUNE 30, 2020

would remain below 7.0% during the first half of the fiscal year due to lower petroleum prices, thus causing the policy rate to remain positive. However, during the second half as the impact of low base resumes, inflation will move above the policy rate, which means that central bank will be prompted to adjust the interest rates under the normal economic scenario. However, a better than expected scenario on the balance of payment side will allow central bank to continue the current policy rate.

Fiscal department will remain an Achilles heel for the government as it is expected to remain north of 7.0%. With limited expected growth in taxes, we believe government will not have much room to provide impetus via public development spending. Alongside, government reliance on borrowing via domestic sources will continue to crowd out private sector investment. In an environment where government muscles have been reined in, the importance of private sector will continue to dominate in reviving the overall economic growth.

From capital market perspective, particularly equities, we are getting a much clearer picture now. As covid curve continues to flatten out, the valuations are catching up with historical norms. Barring a second wave of the virus, we think equities have a lot to offer to the investors. Market cap to GDP ratio is at 17.5%, still at a discount of 33% from its historical average. Similarly, risk premiums are close to 4.0%, compared to historical average of 0.9% signifying decent upside for long term investors. We believe a micro view of sectors and stock will remain more important this year and investment selection should focus on companies which trade at a deep discount to their intrinsic value. Similarly, focus should also revert back to companies that are expected to exhibit stellar earnings growth over the medium term.

For debt holders, we expect Money Market Funds to continue to seamlessly mirror policy rates throughout the year. On the other hand, government bonds have priced in the anticipated yield curve. We remain cautious at the current levels of bond yields and would continue to monitor the data points to capitalize on opportunities.

Corporate Governance

The Fund is committed to implement the highest standards of corporate governance. With four (4) Non-Executive Directors, three (3) Independent Directors and one (1) Executive Director on the Board, as governing body of the Management Company, the Board is accountable to the unit holders for good corporate governance. The Board consists of 1 female and 7 male directors. The details are as under:

Sr. No.	Name	Status	Membership in other Board Committees
1.	Mr. Haroun Rashid	Non-Executive Director	None
2.	Mr. Nasim Beg	Non-Executive Director	(i) Audit Committee; and (ii) HR&R* Committee
3.	Mr. Ahmed Jahangir	Non-Executive Director	(i) Audit Committee; and (ii) HR&R* Committee.
4.	Mr. Kashif A. Habib	Non-Executive Director	Audit Committee
5.	Syed Savail Meekal Hussain	Independent Director	HR&R* Committee
6.	Mr. Mirza Qamar Beg	Independent Director	(i) Audit Committee (Chairman); and (ii) HR&R* Committee (Chairman).
7.	Ms. Mavra Adil Khan	Independent Director	HR&R* Committee
8.	Mr. Muhammad Saqib Saleem	Executive Director	HR&R* Committee

* HR&R stands for Human Resource and Remuneration

Management is continuing to comply with the provisions of best practices set out in the code of corporate governance particularly with regard to independence of non-executive directors. The Fund remains committed to conduct business in line with listing regulations of Pakistan Stock Exchange, which clearly defined the role and responsibilities of Board of Directors and Management.

انتظامیہ بہترین طریقوں، خاص طور پر Non ایگزیکٹو ڈائریکٹر کی خود مختاری کے حوالے سے کارپوریٹ گورننس کے ضابطہء اخلاق کی دفعات کی بدستور تعمیل کر رہی ہے۔ فنڈ پاکستان اسٹاک ایکسچینج کے لسٹنگ قوانین کے مطابق کاروبار جاری رکھنے کے عزم پر قائم ہے جن میں بورڈ آف ڈائریکٹرز اور انتظامیہ کے کردار اور ذمہ داریوں کی وضاحت کی گئی ہے۔

ذیل میں کارپوریٹ گورننس کے ضابطہء اخلاق کی شرائط کی تعمیل کے لئے خصوصی بیانات دیئے جا رہے ہیں:

a. مالیاتی گوشوارے فنڈ کے معاملات کی صورتحال، اس کی سرگرمیوں کے نتائج، نقد کی آمد و رفت اور ایکوٹی میں تبدیلیوں کی منصفانہ عکاسی کرتے ہیں۔

b. فنڈ کی درست بکس آف اکاؤنٹس تیار کی گئی ہیں۔

c. مالیاتی گوشواروں کی تیاری میں درست اکاؤنٹنگ پالیسیوں کا باقاعدگی کے ساتھ اطلاق کیا گیا ہے اور اکاؤنٹنگ تخمینے معقول اور محتاط اندازوں پر مبنی ہیں۔

d. مالیاتی گوشواروں کی تیاری میں بین الاقوامی مالیاتی رپورٹنگ کے معیار (پاکستان میں اطلاق کی حد تک)، نان بینکنگ فنانس کمپنیز (اسٹیبلشمنٹ اینڈ ریگولیشنز) 2003ء اور نان بینکنگ فنانس کمپنیز اینڈ نوٹیفائیڈ انٹیلیجنز ریگولیشنز 2008ء کی دفعات، متعلقہ ٹرسٹ ڈیڈز کی شرائط اور سیکیورٹیز اینڈ ایکسچینج کمیشن آف پاکستان کی جاری کردہ ہدایات کی تعمیل کی گئی ہے۔

e. انٹرئل کنٹرول کا نظام مستحکم خطوط پر استوار اور مؤثر انداز میں نافذ کیا گیا ہے اور اس کی مؤثر نگرانی کی جاتی ہے، اور اسے مزید بہتر بنانے کی کوششیں جاری ہیں۔

f. فنڈ کے کاروبار جاری رکھنے کی صلاحیت میں کسی قسم کے کوئی شبہات نہیں ہیں۔

g. کارپوریٹ گورننس کی بہترین روایات سے کوئی قابل ذکر انحراف نہیں ہوا ہے۔

h. واجب الاداء ٹیکسز، ڈیویڈنڈ، محصولات اور چارجز کو (اگر کوئی ہیں تو) مالیاتی گوشواروں میں مکمل طور پر ظاہر کیا گیا ہے۔

i. پراویڈنٹ / گریجویٹ فنڈ اور پنشن فنڈ میں سرمایہ کاریوں کی مالیت کے اسٹیٹمنٹ کا اطلاق فنڈ پر نہیں بلکہ منجمنٹ کمپنی پر ہوتا ہے، چنانچہ ڈائریکٹر رپورٹ میں اس حوالے سے کوئی معلومات ظاہر نہیں کی گئی ہیں۔

ڈائریکٹرز رپورٹ

ہے کہ کرنٹ اکاؤنٹ کا خسارہ مالی سال 2020-21ء میں مجموعی ملکی پیداوار کے 1.6 فیصد پرزے کے گا، اور اس کے لیے غیر ملکی سرمایہ کاریوں اور قرضہ جاتی آمدات سے بآسانی رقم فراہم کی جاسکتی ہے۔ مالی اکاؤنٹ کو مثبت حدود میں رکھنے کے لیے آئی ایم ایف پروگراموں کا سبک رفتاری کے ساتھ جاری رہنا کلیدی شرط ہے۔ موجودہ صورتحال میں ہمیں اُمید ہے کہ غیر ملکی زرمبادلہ کے ذخائر میں اگلے سال کے دوران 2 بلین ڈالر کا مزید اضافہ ہوگا جس سے روپے پر کسی قسم کے دباؤ کو ختم کرنے میں مدد ملے گی۔

اگلے سال کے دوران تیل کی قیمتوں کے اوسط 40 فی بی بی ایل کے مفروضے پر صارفی قیمت کے انڈیکس (سی پی آئی) کا متوقع اوسط 7.5 فیصد ہوگا۔ مرکزی بینک نے افراط زر میں متوقع کمی کے تناظر میں پہلے ہی پالیسی شرح میں ترمیم کر کے اسے 7.0 فیصد کر دیا ہے۔ مالی سال کے نصف اوّل کے دوران افراط زر کی رفتار پٹرولیم کی کم تر قیمتوں کے باعث 7.0 فیصد سے کافی کم رہے گی اور پالیسی شرح کو مثبت رکھنے میں کردار ادا کرے گی۔ تاہم نصف آخر کے دوران چونکہ کم تر base کا اثر بحال ہوگا چنانچہ افراط زر پالیسی شرح سے اوپر جائے گی، جس کا مطلب ہے کہ عمومی معاشی صورتحال کے تحت مرکزی بینک کو انٹریسٹ کی شرحوں میں ترمیم کرنا ہوگی۔ تاہم اگر ادائیگیوں کے توازن کی صورتحال متوقع سے بہتر ہوگئی تو مرکزی بینک موجودہ پالیسی شرح کو جاری رکھ سکے گا۔

مالیاتی محکمہ حکومت کے لیے ڈھتی رگ بنارہے گا کیونکہ اس کا 7.0 فیصد کے شمال میں رہنا متوقع ہے۔ ٹیکسوں میں محدود متوقع اضافے کے باعث ہم سمجھتے ہیں کہ حکومت کے پاس عوامی ترقیاتی خرچ کے ذریعے محرک فراہم کرنے کی زیادہ گنجائش نہیں ہوگی۔ ساتھ ساتھ، مقامی ذرائع سے حصول قرض پر حکومتی انحصار سے پرائیویٹ سیکٹر میں سرمایہ کاری متاثر ہوگی۔ حکومت پر بڑھتے ہوئے بوجھ کے ماحول میں مجموعی معاشی ترقی کی تجدید کے لیے پرائیویٹ سیکٹر کی اہمیت بدستور حاوی رہے گی۔

کیپیٹل مارکیٹ، خصوصاً ایکویٹیز، کے نظریے سے ہمیں اب کافی واضح صورتحال نظر آرہی ہے۔ جہاں کووڈ کے ختم کے ہموار ہونے کا سلسلہ جاری ہے وہاں valuations بتدریج پرانے رجحانات کے ساتھ ہم آہنگ ہو رہی ہیں۔ وائرس کی دوسری لہر کا سد باب کرتے ہوئے ہم سمجھتے ہیں کہ ایکویٹیز میں سرمایہ کاروں کے لیے بہت فوائد مضمر ہیں۔ مارکیٹ کیپیٹلائزیشن کا جی ڈی پی کے ساتھ تناسب 17.5 فیصد ہے، جواب بھی اپنے پرانے اوسط سے 33 فیصد کم ہے۔ اسی طرح رسک پریمیم 0.4 فیصد کے قریب ہیں جو اپنے پرانے اوسط 0.9 فیصد کے مقابلے میں طویل المیعاد سرمایہ کاروں کے لیے قابل قبول بہتری ہے۔ ہم سمجھتے ہیں کہ سیکٹرز اور اسٹاک کی خورد تصویر اس سال زیادہ اہم رہے گی اور سرمایہ کاری کے انتخاب کا انحصار ایسی کمپنیوں پر ہونا چاہیے جو اپنی اندرونی قدر میں گہری رعایت پر تجارت کرتی ہیں۔ اسی طرح ایسی کمپنیوں کی طرف بھی توجہ دوبارہ مرکوز ہونی چاہیے جن کی درمیانی مدت کی آمدنی میں زبردست ترقی متوقع ہے۔

Debt حاملین کے لیے ہم توقع کرتے ہیں کہ بازار زر کے فنڈ پالیسی شرحوں کی عکاسی بلا رکاوٹ سال بھر جاری رکھیں گے۔ دوسری جانب حکومتی بانڈز دوران سال پہلے ہی کچھ حد تک متوقع مالیاتی تسہیل میں کردار ادا کر چکے ہیں۔ ہم بانڈز کے منافعوں کی موجودہ سطحوں کے حوالے سے محتاط ہیں اور ڈیٹا کے نکات کی نگرانی جاری رکھیں گے تاکہ مواقع سے فائدہ اٹھایا جاسکے۔

کارپوریٹ گورننس

فنڈ کارپوریٹ گورننس کے اعلیٰ ترین معیارات نافذ کرنے کے لئے پُر عزم ہے۔ چار (4 Non) ایگزیکٹو ڈائریکٹرز، تین (3) خود مختار ڈائریکٹرز اور ایک (1) ایگزیکٹو ڈائریکٹر کے ساتھ بورڈ، مینجمنٹ کمپنی کے انتظامی ادارے کی حیثیت سے، عمدہ کارپوریٹ گورننس کے لئے یونٹ ہولڈرز کو جوابدہ ہے۔ بورڈ 1 خاتون اور 7 حضرات ڈائریکٹرز پر مشتمل ہے۔ تفصیلات درج ذیل ہیں:

دوران سال دو اساسی، تعمیرات اور مواد، اور کھاد کے شعبے بالترتیب 45 فیصد، 43 فیصد اور 23 فیصد منافع جات پوسٹ کر کے سبقت لے گئے۔ دوساز کمپنیاں مرکز نگاہ تھیں کیونکہ کووڈ 19 نے اس شعبے کی استعداد میں اضافہ کر دیا تھا۔ سیمنٹ کے شعبے میں تحریک ہوئی جس کے اسباب انٹریسٹ کی شرحوں میں کمی اور فریقوں کے درمیان مارکیٹنگ انتظام کا استحکام تھے۔ کھاد کے شعبے نے قابل قبول کارکردگی کا مظاہرہ کیا کیونکہ انٹریسٹ کی شرح میں متواتر کمی کے بعد ڈیویڈنڈ دینے والے اسٹاکس منظر عام پر آ گئے۔ دوسری جانب کمرشل بینکوں اور دریافت اور پیداوار (ای اینڈ پی) کے شعبے کی کارکردگی انڈیکس کے مضبوط فریق ہونے کے باوجود بیچ مارک سے کم تھی۔ بالترتیب 14 فیصد اور 10 فیصد منفی منافع۔ کمرشل بینکوں کی کمزور کارکردگی کی وجہ اب تک کی سب سے زیادہ مالیاتی تسہیل کے باعث NIMS میں سکڑن تھی، جبکہ ای اینڈ پی کی کمزور کارکردگی کی وجہ خام تیل کی قیمتوں میں گراوٹ تھی کیونکہ سعودی عرب نے اوپیک اور روس کے درمیان معاہدہ نہ ہونے پر قیمت کی ایک جنگ کا آغاز کر دیا۔ ساتھ ساتھ، وباء کے تناظر میں عالمی سطح پر مانگ میں کمی نے صورتحال کو ابتر کر دیا۔

فنڈ کی کارکردگی

زیر جائزہ مدت کے دوران فنڈ نے 4.40 فیصد منافع دیا جبکہ بیچ مارک منافع 13.05 فیصد تھا۔ ایکویٹیز کے شعبے میں مجموعی سرمایہ کاری 0.0 فیصد تھی۔ مقررہ آمدنی کی جہت میں سرمایہ کاری پاکستان انویسٹمنٹ بانڈز (پی آئی بی) میں 64.7 فیصد اور نقد میں 27.2 فیصد تھی۔ 30 جون 2020 کو فنڈ کے net اثاثہ جات 152 ملین روپے تھے جو 30 جون 2019 کو 254 ملین روپے کے مقابلے میں 40.2 فیصد کمی ہے۔ 30 جون 2020 کو net اثاثہ جاتی قدر (این اے وی) فی یونٹ 99.5100 روپے تھی جو 30 جون 2019 کو ابتدائی این اے وی 102.1021 روپے فی یونٹ کے مقابلے میں 2.5921 روپے فی یونٹ کمی ہے۔

مستقبل کا منظر نامہ

حکومت اور مختلف اداروں کے مطابق مالی سال 2020-21ء کے لیے مجموعی ملکی پیداوار (جی ڈی پی) میں متوقع ترقی 2.0 فیصد ہے۔ پاکستان وباء کی پہلی لہر سے نمٹنے میں کامیاب ہوا ہے اور متاثر افراد کی یومیہ تعداد (ایک ہزار) ماہ جون کے اوائل میں بلند ترین یومیہ تعداد (چھ ہزار) کا چھٹا حصہ رہ گئی ہے۔ اگرچہ اکثر شعبے کھول دیئے گئے ہیں لیکن کچھ تاحال بالکل بند ہیں اور کچھ استعداد سے کم کام کر پارہے ہیں۔ کووڈ کی دوسری لہر کاسڈ باب کرتے ہوئے ہم پُر اُمید ہیں کہ مالی سال کی دوسری سہ ماہی تک معیشت مکمل بحال ہو جائے گی۔ علاوہ ازیں، متوقع طور پر دسمبر تک ویکسین کے منظر عام پر آ جانے سے جنوری سے عالمی سطح پر سرگرمیاں بھی مکمل بحال ہو جائیں گی۔ ہم اُمید کرتے ہیں کہ حکومت کم تر base اور مختلف محکمہ کا نہ اقدامات کے ساتھ جی ڈی پی میں ترقی کا سالانہ ہدف حاصل کر سکے گی۔ مرکزی بینک کا اعلان کردہ مالیاتی محرک گردش صنعتوں میں ترقی بحال کرنے کی راہ ہموار کرے گا۔ علاوہ ازیں، حکومت کے تعمیرات سے متعلق پیکیج سے مانگ پر مبنی ترقی کو مطلوبہ محرک حاصل ہوگا۔

ادائیگی کے توازن کی پریشانیاں فی الوقت ختم ہو گئی ہیں کیونکہ کرنٹ اکاؤنٹ خسارہ مرکزی حکومت کے پالیسی اقدامات کے بعد معقول سطح تک آ گیا ہے۔ تیل کی بین الاقوامی قیمتوں کا 40 ڈالر فی بیرل تک کم ہو جانا زحمت کے بھیس میں رحمت ثابت ہوا ہے۔ عالمی معیشت بحال ہونا شروع ہو گئی ہے اور جو خبریں گردش میں ہیں اُن کے مطابق برآمدات میں تیزی آرہی ہے۔ ترسیلات زربھی عمومی متوقع سطح سے کافی زیادہ ہوئی ہیں، بلکہ ماہ جون میں 50 فیصد YoY ترقی نے سب کو حیران کر دیا ہے۔ ترسیلات زربھی 10 فیصد کی کوشاں کرنے کے باوجود مجموعی صورتحال قابل قبول رہے گی۔ ہمیں اُمید

ڈائریکٹر رپورٹ

ڈالر منافع حاصل کیا۔ نتیجتاً اسٹیٹ بینک آف پاکستان کے غیر ملکی زرمبادلہ کے ذخائر دوران سال 4.9 بلین ڈالر بڑھ کر 12.1 بلین ڈالر تک پہنچ گئے۔ اگرچہ درآمدات کے cover میں بہتری آئی، یعنی 1.7x سے 2.6x، لیکن یہ اب بھی مقبول عالمی معیارات سے کم ہے۔ ڈالر کے مقابلے میں روپے کی قدر دوران سال 3.2 فیصد کم ہو کر 168.2 ہو گئی۔

مالی سال 2020ء کے لیے صارفی قیمت کے انڈیکس (سی پی آئی) کا اوسط 10.8 فیصد جبکہ دوران سال گزشتہ 6.8 فیصد تھا۔ دوران سال اشیائے خورد و نوش کا افراط زر نمایاں تھا جس کا اوسط 14.5 فیصد تھا کیونکہ رسد کی جہت میں کمزوری کے باعث کچھ ضروری اشیاء اور جلد خراب ہوجانے والی اشیاء کی قیمتوں میں اضافہ ہو گیا۔ چینی کی قیمتوں میں دوران سال 29 فیصد جبکہ گندم کے آٹے کی قیمت میں 16 فیصد اضافہ ہوا۔ جلد خراب ہوجانے والی اشیاء میں پیاز اور آلو کی قیمتوں میں بالترتیب 70 فیصد اور 65 فیصد اضافہ ہوا۔ تاہم افراط زر کے دباؤ میں کمی آغاز ہو گیا ہے اور جون میں افراط زر 6.8 فیصد تھی کیونکہ پٹرولیم کی کم تر قیمتوں کے ساتھ ساتھ اشیائے خورد و نوش کی افراط زر میں تسہیل سے مجموعی افراط زر رک گئی۔ بہر حال، اہم ترین افراط زر، جس کی پیمائش اشیائے خورد و نوش اور توانائی کے شعبے کے علاوہ ہوتی ہے، پھر بھی محدود تھی اور زیر جائزہ مدت کے لیے اس کا اوسط 7.9 فیصد تھا۔

مانیٹری پالیسی کمیٹی (ایم پی سی) سارا سال متحرک رہی اور اس نے انٹریسٹ کی شرحوں میں 625 بیس پوائنٹس (بی پی ایس) کی ریکارڈ کمی کر کے پالیسی کی شرح کو 7.0 فیصد تک پہنچا دیا۔ کووڈ 19 کے باعث مندی کے دباؤ اور افراط زر کی کم تر توقع اس اہم اقدام کے بنیادی اسباب تھے۔ ساتھ ساتھ مرکزی بینک نے نظام میں مالیاتی ہنگامی صورتحال کے بوجھ کو کم کرنے کے لیے مختلف اسکیموں کا اعلان کیا۔ کمرشل بینکوں نے تقریباً 650 بلین روپے کے قرضہ جات ایک سال کے لیے ملتوی کیے، جبکہ تقریباً 150 بلین ڈالر کے قرضہ جات کی تشکیل ہوئی گئی۔

مالی سال 2020ء کے نصف اول کے دوران مالیاتی تسہیل سے قبل کم تر افراط زر کی توقعات کے باعث پیداواری خم میں جھکاؤ آنا شروع ہو گیا۔ سال کے آغاز کے دوران وباء کے سر اٹھانے کے باعث مندی کے دباؤ قریب الورد ہو گئے اور مرکزی بینک نے متحرک انداز میں مالیاتی تسہیل کر کے متعدد میننگز میں پالیسی شرح کو 625 بی پی ایس کم کر دیا۔ اس کے نتیجے میں پیداواری خم دوران مدت مزید نیچے ہو گیا۔ تین سالہ، پانچ سالہ اور دس سالہ بانڈ میں دوران سال بالترتیب 632، 577 اور 503 بی پی ایس کی تسہیل ہوئی۔ پیداواری خم دوبارہ بلندی کی طرف جانا شروع ہو گیا ہے کیونکہ بازار کے فریق انٹریسٹ کی شرحوں کے کم ترین سطح تک جانے کی توقع کر رہے ہیں۔

ایکویٹیز مارکیٹ کا مجموعی جائزہ

معاشی صورتحال کی طرح ایکویٹیز مارکیٹوں کی صورتحال بھی سال کے نصف اول اور نصف آخر کے دوران بہت مختلف تھی۔ نصف اول کے دوران سرمایہ کاروں نے گلاں معاشی یکجائی کے حاصل کردہ منافع جات کا خیر مقدم کیا اور بیچ مارک KSE-100 انڈیکس میں 19.8 فیصد کا زبردست اضافہ ہوا۔ تاہم کورونا وائرس کے ورود کے بعد ایکویٹی مارکیٹیں بد حالی سے دوچار ہو گئیں اور KSE-100 انڈیکس بھی متاثر ہوا۔ بیچ مارک انڈیکس مالی سال کے نصف آخر میں 16 فیصد گر گیا جس سے نصف اول میں حاصل کیے گئے منافع جات بے اثر ہو گئے۔ بہر حال KSE-100 نے مجموعی طور پر پورے سال کے لیے 1.5 فیصد معمولی منافع پوسٹ کیا اور گزشتہ دو متواتر سالوں سے منفی منافعوں کا رجحان ختم ہوا۔ غیر ملکیوں کی جانب سے ہونے والی ایکویٹیز کی فروخت کمی سے محفوظ رہی اور 285 ملین ڈالر مالیت کی ایکویٹیز کی فروخت کے ساتھ پانچویں متواتر سال ریڈ زون میں رہی۔ افراد اور بیمہ کمپنیاں بالترتیب 213 ڈالر اور 128 ڈالر مالیت کی ایکویٹیز خرید کر net خریدار رہے۔ خرید و فروخت کے یومیہ حجم کا اوسط دوران مدت 194 ملین حصص تھا (26.2 فیصد YoY اضافہ)، جبکہ یومیہ قدر کا اوسط 7.2 بلین روپے (10.4 فیصد YoY اضافہ) تھا۔

عزیز سرمایہ کار

بورڈ آف ڈائریکٹرز کی طرف سے ایم سی بی پاکستان فریکوینٹ پے آؤٹ فنڈ کے گوشواروں برائے مدتِ مختتمہ 30 جون 2020ء کا جائزہ پیش خدمت ہے۔

20 اگست 2020ء سے فنڈ کو ایسیٹ ایلوکیشن اسکیم سے اسلامک منی مارکیٹ اسکیم میں منتقل کر دیا گیا ہے اور اسے 'الحراء اسلامک منی مارکیٹ فنڈ' کا نام دے دیا گیا ہے۔

معیشت اور بازار کا مجموعی جائزہ

مالی سال 2020ء کے نصف اول کی صورتحال نصف آخر کے حالات سے کافی مختلف تھی۔ گلاں معاشیاتی یکجائی، جو نصف اول میں صحیح راہ پر گامزن تھی، کو وڈ 19 کے باعث نصف آخر میں شدید متاثر ہوئی۔ اس قاتل وباء سے جہاں عالمی سطح پر 17 ملین سے زائد افراد متاثر ہوئے اور 650,000 سے زائد لقمہ اجل بنے وہیں عالمی معیشت بھی تباہی سے دوچار ہوئی کیونکہ دنیا بھر میں لاک ڈاؤن کے باعث صرفی رجحان میں کمی ہوئی اور بڑے پیمانے پر روزگاری پھیلی۔ انٹرنیشنل مانیٹری فنڈ (آئی ایم ایف) کے مطابق اس سال عالمی معیشت 4.9 فیصد سکڑ جائے گی جو دوسری جنگ عظیم کے بعد ایک سال کے دوران بدترین تنزلی ہے۔

مقامی سطح پر معیشت میں ماہِ مئی تک بڑے پیمانے پر لاک ڈاؤن رہا اور صحت عامہ کے شعبے میں متاثر افراد کا دھور رہا۔ ماحصل میں فرق کے نتیجے میں معاشی ترقی میں -0.4 فیصد تک کمی کی پیش گوئی کی گئی بالمقابل سابقہ متوقع ترقی کے جو 2.4 فیصد تھی۔ بڑے پیمانے کی مینوفیکچرنگ (ایل ایس ایم) اور خدمات کے شعبے لاک ڈاؤن سے سب سے زیادہ متاثر ہوئے۔ ایل ایس ایم مالی سال 2020ء کے پہلے گیارہ ماہ کے دوران 10.3 فیصد سکڑ گیا۔ بڑی صنعتوں میں گاڑیوں اور لوہے اور اسٹیل کی صنعتیں سنگین متاثر ہوئیں اور ان میں بالترتیب 44.8 فیصد اور 17.0 فیصد تنزلی ہوئی۔ ایل ایس ایم کی سب سے بڑی فریق ٹیکسٹائل صنعت بھی عالمی لاک ڈاؤن کے نتیجے میں برآمدات رُک جانے کے باعث 11.0 فیصد سکڑ گئی۔ مزید براں، زراعت کے شعبے کی کارکردگی بھی مایوس کن رہی کیونکہ اہم فصلوں (کپاس، گندم اور گنا) ہدف سے کافی پست سطح پر رہیں۔

لاک ڈاؤن کے باعث ٹیکس وصولی میں سنگین کمی کے نتیجے میں مالی یکجائی شدید متاثر ہوئی۔ فیڈرل بورڈ آف ریونیو (ایف بی آر) سابقہ متوقع ہدف 4.8 ٹریلین روپے کے مقابلے میں 0.4 ٹریلین روپے جمع کر سکا۔ فروری 2020ء تک ٹیکس وصولی 16 فیصد سال در سال (YoY) کی شرح سے بڑھ رہی تھی، تاہم مالی سال کے آخری چار ماہ کے دوران 20 فیصد YoY کی خطرناک شرح سے سکڑ گئی جس کے نتیجے میں شدید کمی پیدا ہو گئی۔ مزید براں، حکومت نے لاک ڈاؤن سے پیدا ہونے والے خطرات سے عوام کی حفاظت کے مقصد سے ایک سماجی تحفظ کا پروگرام شروع کیا لیکن اس میں مطلوبہ سے زیادہ اخراجات ہو گئے جس کے نتیجے میں مالیاتی خسارے کا مجموعی ملکی پیداوار (جی ڈی پی) سے 9.0 فیصد زیادہ ہونا متوقع ہے۔

پالیسی اقدام کے سبب رفتار اثرات بحوالہ مالیاتی سختی اور زرمبادلہ کی شرح میں ترمیم کے ثمرات حاصل ہونے کا سلسلہ جاری رہا جس کی عکاسی ادائیگیوں کے توازن کی صورتحال میں بہتری میں ہوئی۔ کرنٹ اکاؤنٹ خسارہ دوران سال 78 فیصد YoY بنیاد پر سکڑ کر 2.8 بلین ڈالر ہو گیا۔ کرنٹ اکاؤنٹ خسارے میں کمی کی بڑی وجہ اشیاء کی درآمدات میں کمی ہے جو 19 فیصد سکڑ گئیں جس کے نتیجے میں 12 بلین ڈالر کی کمی ہوئی۔ ترسیلات زر بھی لچکدار رہیں اور دوران سال 6 فیصد بڑھ کر 23.1 بلین ڈالر ہو گئیں۔ غیر ملکی براہ راست سرمایہ کاری (ایف ڈی آئی) 2.5 بلین ڈالر کی سطح پر تھی جو سال گزشتہ کے مقابلے میں 75 فیصد زیادہ ہے کیونکہ ٹیلی کام لائسنسوں کی تجدید اور بجلی کے شعبے میں منصوبوں کے آغاز کی بدولت نئی سرمایہ کاریاں آئیں۔ آئی ایم ایف اور کثیر الجہتی اداروں سے قرضوں سے متعلقہ آمدات نے بھی مجموعی مالیاتی آمدات کو مثبت سمت میں قائم رکھا۔ پاکستان کو آئی ایم ایف سے 2.4 بلین روپے موصول ہوئے اور کثیر الجہتی اداروں نے مختلف منصوبوں کے لیے 5 بلین ڈالر سے زائد جاری کیے۔ مجموعی طور پر مالی اکاؤنٹ نے 7 بلین

REPORT OF THE FUND MANAGER FOR THE YEAR ENDED JUNE 30, 2020

Fund Type and Category

MCB Pakistan Frequent Payout Fund is an Open-End Asset Allocation Scheme.

Fund Benchmark

The benchmark for MCB PFPF is KSE 100 Index and Six (6) months KIBOR rates on the basis of actual proportion held by the Scheme

Investment Objective

MCB Pakistan Frequent Payout Fund is an asset allocation fund and its objective is to provide investors regular monthly payments by investing Fund's assets in Debt and Equity instruments.

Investment Strategy

The Fund shall be subject to such exposure limits as are specified in the Rules, the Regulations and directives issued by SECP from time to time. INDEPENDENT AUDITOR'S REPORT

To the Unit Holders of MCB Pakistan Frequent Payout Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **MCB Pakistan Frequent Payout Fund** (the Fund), which comprise the statement of assets and liabilities as at June 30, 2020, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2020, and of its financial performance and its cash flows for the year then ended in accordance with accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund and Management Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (IESBA Code)* as adopted by the Institute of Chartered Accountants of Pakistan together with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Matter

Subsequent to the year end, Securities and Exchange Commission of Pakistan (SECP) vide its letter # SCD / AMCW / MCBAHSIL / MCBPFPF /03/2020 dated July 14, 2020, has approved the conversion of MCB Pakistan Frequent Payout Fund renamed as Alhamra Islamic Money Market Fund from Asset Allocation Scheme to Islamic Money Market Scheme with effect from August 20, 2020.

Information Other than the Financial Statements and Auditor's Report Thereon

Management Company is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management Company and Those Charged with Governance for the Financial Statements

Management Company is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal

control as the Management Company determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management Company is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management Company either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance of the Management Company are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Management Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Company.
- Conclude on the appropriateness of Management Company's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Those Charged with Governance of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT TO THE UNIT HOLDERS

Deloitte Yousuf Adil
Chartered Accountants

We also provide Those Charged with Governance of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Those Charged with Governance of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Hena Sadiq.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 MCB Pakistan Frequent Payout Fund ("the Fund") was established under a Trust Deed dated July 22, 2015 executed between MCB - Arif Habib Savings and Investments Limited as Management Company and MCB Financial Services Limited as the Trustee. The Fund was approved as an open end investment scheme by the Securities and Exchange Commission of Pakistan (SECP) on July 16, 2015 in accordance with the Asset Management Companies Rules, 1995 repealed by the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules).
- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through certificate of registration issued by SECP. The registered office of the Management Company is situated at 2nd Floor, Adamjee House, I.I. Chundrigar Road, Karachi, Pakistan.
- 1.3 The Fund is an open-end collective investment scheme categorised as an "Asset Allocation" scheme by the Board of Directors of the Management Company pursuant to Circular 7 of 2009 dated March 6, 2009 issued by the SECP. The Fund offers units for public subscription on a continuous basis. The units of the Fund can be transferred to / from the funds managed by the Management Company and can also be redeemed by surrendering them to the Fund. The Fund is listed on the Pakistan Stock Exchange Limited.
- 1.4 The Fund primarily invests in a mix of listed equity and debt securities, unlisted government securities and secured debt securities, money market transactions and reverse repurchase transactions, spread transactions and transaction under Margin Trading System.
- 1.5 The Pakistan Credit Rating Agency Limited (PACRA) has assigned the asset manager a rating of "AM2++" (2019: AM2++) on October 08, 2019.
- 1.6 The title to the assets of the Fund is held in the name of MCB Financial Services Limited as the Trustee of the Fund.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 New accounting standards, amendments and IFRS interpretations that are effective for the year ended June 30, 2020

The following standards, amendments and interpretations are effective for the year ended June 30, 2020. These standards, amendments and interpretations are either not relevant to the Fund's operations or are not expected to have significant impact on the Fund's financial statements other than certain additional disclosures.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

	Effective from accounting period beginning on or after:
IFRS 16 Leases	January 01, 2019
IFRS 14 – Regulatory Deferral Accounts	July 01, 2019
Amendments to IFRS 9 'Financial Instruments' - prepayment features with negative compensation	January 01, 2019
Amendments to IAS 28 'Investments in Associates and Joint Ventures' - Long-term interests in associates and joint ventures	January 01, 2019
Amendments to IAS 19 'Employee Benefits' - Plan amendment, curtailment or settlement	January 01, 2019
IFRIC 23 'Uncertainty over Income Tax Treatments'	January 01, 2019

Certain annual improvements have also been made to a number of IFRSs.

2.3 New accounting standards, amendments and IFRS interpretations that are not yet effective

The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, interpretations and the amendments are either not relevant to the Fund's operations or are not expected to have significant impact on the Fund's financial statements other than certain additional disclosures.

	Effective from accounting period beginning on or after:
Amendments to the conceptual framework for financial reporting, including amendments to references to the conceptual framework in IFRS	January 01, 2020
Amendments to IFRS 3 'Business Combinations' - Definition of a business	January 01, 2020
Amendments to IAS 1 'Presentation of Financial Statements' and IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' - Definition of material	January 01, 2020
Amendments to IFRS 9 'Financial Instruments', IAS 39 'Financial Instruments: Recognition and Measurement' and IFRS 7 'Financial Instruments: Disclosures' - Interest rate benchmark reform	January 01, 2020
Amendment to IFRS 16 'Leases' - Covid-19 related rent concessions	January 01, 2020
Amendments to IAS 1 'Presentation of Financial Statements' - Classification of liabilities as current or non-current	January 01, 2022
Amendments to IFRS 3 'Business Combinations' - Reference to the conceptual framework	January 01, 2022
Amendments to IAS 16 'Property, Plant and Equipment' - Proceeds before intended use	January 01, 2022
Amendments to IAS 37 'Provisions, Contingent Liabilities and Contingent Assets' - Onerous Contracts — cost of fulfilling a contract	January 01, 2022

Certain annual improvements have also been made to a number of IFRSs.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Other than the aforesaid standards, interpretations and amendments, the International Accounting Standards Board (IASB) has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan:

- IFRS 1 – First Time Adoption of International Financial Reporting Standards
- IFRS 17 – Insurance Contracts

2.4 Critical accounting estimates and judgements

The preparation of the financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgements and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in the application of its accounting policies. The estimates, judgements and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and underlying assumptions are reviewed on an ongoing basis.

The areas involving a degree of judgment or complexity, or areas where estimates and assumptions are significant to the financial statements are as follows:

- Classification and valuation of financial assets (notes 3.1.1 and 5)
- Impairment of financial assets (note 3.1.1.3)
- Taxation (notes 3.4 and 16)
- Classification and measurement of financial liabilities (notes 3.1.2)

The revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

2.5 Basis of measurement

These financial statements have been prepared under the historical cost convention, except for certain investments which are measured at fair value.

2.6 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency. Amounts presented in the financial statements have been rounded off to the nearest thousand rupees, unless otherwise stated.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

3.1 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised in the Fund's statement of assets and liabilities when the Fund becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the income statement.

3.1.1 Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

3.1.1.1 Classification and measurement of financial assets

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the entity's business model for managing them.

All recognised financial assets are measured subsequently in their entirety at either amortised cost or fair value, depending on the classification of the financial assets. For purposes of subsequent measurement, financial assets are classified in following categories:

Financial assets at amortised cost (debt instruments)

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in the income statement when the asset is derecognised, modified or impaired.

The Fund elected not to classify any of the debt instruments under this category on initial recognition.

Financial assets at fair value through other comprehensive income (debt instruments)

For debt instruments at fair value through other comprehensive income (OCI), interest income, foreign exchange revaluation and impairment losses or reversals are recognised in the income statement and computed in the same manner as for financial assets measured at amortised cost. The remaining fair value changes are recognised in OCI. Upon derecognition, the cumulative fair value change recognised in OCI is reclassified to the income statement.

The Fund elected not to classify any of the debt instruments under this category on initial recognition.

Financial assets at fair value through profit or loss (debt instruments)

Debt instruments that do not meet the amortised cost criteria or the fair value through other comprehensive income criteria are classified as at fair value through profit or loss. In addition, debt instruments that meet either the amortised cost criteria or the fair value through other comprehensive income criteria may be designated as at fair value through profit or loss upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency (so called 'accounting mismatch') that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

The Fund has designated all of debt instruments as at fair value through profit or loss.

3.1.1.2 Fair value measurement principles

The fair value of financial instruments is determined as follows:

Basis of valuation of government securities:

The government securities not listed on a stock exchange and traded in the interbank market are valued at the average rates quoted on a widely used electronic quotation system (PKRV / PKISRV rates) which are based on the remaining tenor of the securities.

Basis of valuation of debt securities:

The fair value of debt securities (other than government securities) is based on the value determined and announced by Mutual Funds association of Pakistan (MUFAP) in accordance with the criteria laid down in Circular No. 1 of 2009 and Circular No. 33 of 2012 issued by Securities and Exchange Commission of Pakistan (SECP). In the determination of the rates, MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The aforementioned circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

3.1.1.3 Impairment of financial assets

The Fund assesses at each reporting date whether there is objective evidence that the Fund's financial assets or a group of financial assets are impaired. If any such indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognised whenever the carrying value of an asset exceeds its recoverable amount.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

The SECP/Commission has through its letter no. SCD/AMCW/RS/MUFAP/2017-148 dated November 21, 2017 has deferred the applicability of the impairment requirements of IFRS 9 for debt securities on mutual funds. Therefore, the Fund will not be subject to the impairment provisions of IFRS 9.

For financial assets other than debt securities measured at amortised cost, IFRS 9 requires recognition of impairment based on expected credit loss (ECL) model. Under IFRS 9, the Fund is required to measure loss allowance equal to an amount equal to lifetime ECL or 12 months ECL based on credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Fund considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Fund's historical experience and informed credit assessment and including forward-looking information.

However, majority of the assets of the Fund exposed to credit risk pertain to counter parties which have high credit rating or where credit risk has not been increased since initial recognition. Therefore, management believes that the impact of ECL would be very minimal and hence, the same has not been accounted for in these financial statements.

3.1.1.4 Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Fund's statement of assets and liabilities) when:

- the rights to receive cash flows from the asset have expired; or
- the Fund has transferred its rights to receive cash flows from the asset and substantially all the risks and rewards of the asset;

3.1.2 Financial liabilities

3.1.2.1 Classification and measurement of financial liabilities

All financial liabilities are measured subsequently at amortised cost using the effective interest method or at fair value through profit or loss.

Financial liabilities are measured at amortised cost, unless they are required to be measured at fair value through profit or loss (such as instruments held for trading or derivatives) or the Fund has opted to measure them at fair value through profit or loss. The Fund does not have any financial liabilities designated as fair value through profit or loss.

3.1.2.2 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the income statement.

3.1.3 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.2 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less, which are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value.

3.3 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

3.4 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.5 Dividend distribution and appropriations

Dividend distributions and appropriations are recorded in the period in which these are approved by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains to the unit holders.

Distributions declared subsequent to the year end / reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.6 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

Element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.7 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

3.8 Revenue recognition

- Gain or loss on sale of investment is accounted for in the income statement in the period in which it arises.
- Unrealised appreciation / diminution arising on revaluation of investments classified as 'at fair value through profit or loss' is included in the income statement in the period in which it arises.
- Dividend income is recognised when the right to receive the dividend is established.
- Income / profit from investments in term finance certificates / sukuks, MTS transactions and government securities is recognised on a time proportionate basis using effective interest rate method.
- Profit on bank balances is recognised on a time proportionate basis using bank's approved rates.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

3.9 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company, Trustee fee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.10 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

Sales load payable		15	-
Payable against allocated expenses	8.3	12	21
Payable against selling and marketing expenses	8.4	290	-
		539	456
8.1	As per amendment in the offering document, the management company with effect from August 08, 2019 charged management fee at the rate of up to 10% of the gross earnings of the scheme, calculated on daily basis.		
8.2	Sales tax on management remuneration has been charged at the rate of 13% (2019: 13%).		
8.3	In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).		
	Until June 19, 2019 there was a maximum cap of 0.1% of the average annual net assets of the scheme or actual whichever is less, for allocation of such expense to the Fund. However, the SECP vide its SRO 639 dated June 20, 2019 removed the maximum cap of 0.1%.		
	The Management Company has allocated expenses to the Fund based on its discretion subject to not being higher than actual expense which has also been approved by the Board of Directors of the Management Company.		
8.4	The SECP has allowed the Asset Management Companies to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) initially for a period of three years (i.e. from January 1, 2017 till December 31, 2019). The maximum cap of selling and marketing expense was 0.4% per annum of the net assets of the Fund or actual expenses whichever is lower.		
	During the year, the SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a Fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the asset management company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board of Directors of the Asset management company (BOD) as part of annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.		

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

The Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense, which has also been approved by the BOD of the Management Company.

		<u>8,144</u>	<u>7,608</u>

- 11.1 Provision for Sindh Workers' Welfare Fund (SWWF)**

The Supreme Court of Pakistan passed a judgment on November 10, 2016, which upheld the view of Lahore High Court, declaring the insertion of amendments through Finance Acts 2006 and 2008 pertaining to Workers' Welfare Fund (WWF) as unlawful and thereby striking down the amendments introduced through these Finance Acts. The Federal Board of Revenue has filed a petition in the Supreme Court against the said judgment, which is pending hearing.

Mutual Fund Association of Pakistan (MUFAP), on behalf of all Asset Management Companies (AMCs), obtained a legal opinion dated December 5, 2016 on the matter, according to which there is no longer any basis in law to claim WWF payments from the mutual funds under the WWF Ordinance. After deliberating the position, MUFAP decided that the provision for WWF held for the period from January 1, 2013 to June 30, 2015 be reversed effective January 12, 2017.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Furthermore, the Sindh Revenue Board (SRB) had written to mutual funds in January 2016 to register and pay Sindh Workers Welfare Fund (SWWF) for the accounting year closing on or after December 31, 2013. MUFAP reviewed the issue and based on an opinion dated August 2016 decided that SWWF is not applicable on mutual funds as they are not financial institutions as required by SWWF Act, 2014. MUFAP wrote to SRB that mutual funds are not establishments and are pass through vehicles hence, they do not have any worker and no SWWF is payable by them. SRB on November 11, 2016 responded back that as mutual funds are included in definition of financial institutions in The Financial Institutions (Recovery of Finance) Ordinance, 2001, SWWF is payable by them. MUFAP has taken up the matter with the Sindh Finance Ministry to have mutual funds excluded from SWWF.

MUFAP has also obtained a legal opinion that SWWF, if applicable, can only be applied from the date of enactment of SWWF Act, 2014, i.e. May 21, 2015. Accordingly, on January 12, 2017, MUFAP instructed to provide for SWWF with effect from May 21, 2015, while the efforts to exclude mutual funds for SWWF continue. The aggregate balance of SWWF provision in the book of accounts of the Fund as on June 30, 2020 is Rs. 2.745 million (June 30, 2019: Rs. 2.561 million). Had this provision not been made, the NAV of the Fund would have been higher by Rs. 1.7931 per unit (June 30, 2019: Rs. 1.0315 per unit).

The SECP has also concurred with the directions issued by MUFAP through its letter no. SCD/AMCW/MUFAP/2017 - 405 dated February 01, 2017.

11.2 Federal Excise Duty and related tax payable

The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from June 13, 2013. As the asset management services rendered by the Management Company of the Fund were already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund, the Management Company was of the view that further levy of FED was not justified.

On September 4, 2013, a Constitutional Petition was filed in the Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

On July 16, 2016, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution, the provision for FED made prior to this period has been maintained by the Fund which at June 30, 2020 aggregates to Rs. 0.841 million (June 30, 2019: Rs. 0.841 million). Had the provision for FED not been recorded in the financial statements of the Fund, the net assets value of the Fund as at June 30, 2020 would have been higher by Re. 0.5494 per unit (June 30, 2019: Re. 0.3387 per unit).

12. CONTINGENCIES AND COMMITMENTS

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

15. TOTAL EXPENSE RATIO (TER)

The Total Expense Ratio (TER) of the Fund for the year ended June 30, 2020 is 4.10% (June 30, 2019: 2.63%) which includes 0.38% (June 30, 2019: 0.35%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, federal excise duties, annual fee to the SECP, etc. This ratio is within the maximum limit of 4.5% (June 30, 2019: 4.5%) prescribed under the NBFC Regulations for a collective investment scheme categorised as an Asset allocation scheme.

16. TAXATION

The Fund's income is exempt from income tax as per clause (99) of part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income available for distribution for the year as reduced by capital gains whether realised or unrealised is distributed amongst the unit holders by way of cash dividend. Furthermore, as per regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulation, 2008, the Fund is required to distribute 90% of the net accounting income available for distribution other than capital gains to the unit holders in cash. The Fund is also exempt from the provision of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Since the management has distributed the income available for distribution by the Fund to the unit holders in cash in the manner as explained above, accordingly, no provision for taxation has been made in these financial statements.

17. TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons of the Fund include MCB-Arif Habib Savings and Investments Limited (being the Management Company) and its related entities, MCB Financial Services Limited (being the Trustee of the Fund), other collective investment schemes and pension schemes managed by the Management Company, any person or trust beneficially owning (directly or indirectly) ten percent or more of the capital of the Management Company or the net assets of the Fund, and directors, key management personnel and officers of the Management Company.

Transactions with related parties / connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market rates.

Remuneration of the Management Company and the Trustee is determined in accordance with the provisions of the NBFC Regulations, 2008 and the Trust Deed respectively.

The details of transactions carried out by the Fund with related parties / connected persons and balances with them at the year end are as follows:

** This was a related party from July 01, 2019 to September 05, 2019.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

18. FAIR VALUE OF FINANCIAL INSTRUMENTS

IFRS 13 - 'Fair Value Measurement' establishes a single source of guidance under IFRS for all fair value measurements and disclosures about fair value measurement where such measurements are required as permitted by other IFRSs. It defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e. an exit price).

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the close of trading i.e., period end. The estimated fair value of all other financial assets and financial liabilities is considered not significantly different from book value as these are short term in nature.

The following table shows financial instruments recognized at fair value based on:

Level 1 : quoted prices in active markets for identical assets or liabilities;

Level 2 : those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and

Level 3 : those with inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The following table shows the carrying amounts of fair values of financial assets and financial liabilities including the levels in the fair value hierarchy:

	June 30, 2020						
	Carrying amount		Fair Value

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

19. FINANCIAL RISK MANAGEMENT

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

The fund primarily invests in portfolio of money market investments such as Government securities and investment in other money market instruments.

19.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Board and the regulations laid down by the SECP, the NBFC regulations and the NBFC rules.

Market risk comprises three types of risk: currency risk, interest rate risk and price risk.

19.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund, at present is not exposed to currency risk as all transactions are carried out in Pak Rupees.

19.1.2 Yield / Interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of June 30, 2020, the Fund is exposed to such risk on bank balances and investment in sukuk certificates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

The interest rate risk profile of the Fund, as a result of investment in financial instruments is as follows:

	Note	June 30, 2020 ------(Rupees in '000)-----	June 30, 2019
Variable rate instrument (financial asset)			
Bank balance	4	41,238	185,352
Term Finance Certificates - Unlisted	5.1.3	-	44,601
Sukuk certificates - Listed	5.1.4	585	908
Sukuk certificates - Unlisted	5.1.5	-	19,960
		41,823	250,821
Fixed rate instruments (financial assets)			
Pakistan Investment Bond	5.1.2	104,258	-

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks and sukuk certificates which are variable rate instruments exposing the fund to cash flow interest rate risk. In case of 100 basis points increase/decrease in applicable rates on the last repricing date with all other variables held constant, the net income / loss for the year and net assets of the Fund would have been higher/lower by Rs 0.42 million (June 30 2019: Rs 2.51 million).

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2020, the Fund holds Pakistan Investment Bonds exposing the Fund to fair value interest rate risk. In case of 100 basis points increase / decrease in rates announced by the Financial Market Association of Pakistan (FMAP) on June 30, 2020, the net income for the year and net assets would be lower / higher by Rs. 1.042 million (June 30, 2019: Nil).

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

19.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. Since the Fund does not hold equity securities as at June 30, 2020 (June 30, 2019: Nil), hence it is not exposed to equity price risk.

19.2 Credit risk

Credit risk represents the risk of loss if counterparties fail to perform as contracted. The Fund is exposed to counter party credit risks on investments in sukuk certificates, bank balances and other financial assets at amortised cost. The credit risk on the fund is limited because the counterparties are financial institutions with reasonably high credit ratings.

The Fund has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. This information is supplied by independent rating agencies, where available, and if not available, the Fund uses other publicly available financial information and its own trading records to rate its major customers. The Fund's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

Credit risk from balances with banks and financial institutions is managed in accordance with the Fund's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are approved by the Board of Directors. The limits are set to minimise the concentration of risk and therefore mitigate financial loss through potential counterparty failure.

The Fund's maximum exposure to credit risk is the carrying amounts of following financial assets.

	June 30, 2020		June 30, 2019	
	Balance as per statement of assets and liabilities	Maximum exposure	Balance as per statement of assets and liabilities	Maximum exposure
	(Rupees in '000)			
Bank balances	43,747	43,747	186,929	186,929
Investments	104,843	585	65,469	65,469
Profit receivable	2,973	359	1,761	1,761
Deposits	2,850	2,850	2,850	2,850
Receivable from National Clearing Company of Pakistan Limited	5,180	5,180	5,180	5,180
	159,593	52,721	262,189	262,189

Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in Government securities of Rs. 104.843 million (June 30 2019: Nil) including profit receivables on such securities of 2,614 (2019: Rs. Nil) is not exposed to credit risk.

The analysis below summaries the credit rating quality of the Fund's financial assets with banks as at June 30, 2020.

Bank Balances by rating category

Rating	June 30, 2020		June 30, 2019	
	Rupees in '000	%	Rupees in '000	%
AAA	27,333	62.48%	76,887	41.13%
AA+	16,375	37.43%	2,560	1.37%
AA-	14	0.03%	2,495	1.33%
A+	-	0.00%	154	0.08%
AA	10	0.02%	-	0.00%
A	15	0.03%	51	0.04%
A-	-	0.00%	104,782	56.05%
	43,747	99.99%	186,929	100.00%

Above ratings are on the basis of available ratings assigned by PACRA and VIS Credit Rating Company Limited (Formerly JCR-VIS Credit Rating Company Limited) as of June 30, 2020.

Security deposits

Deposits are placed with National Clearing Company of Pakistan Limited (NCCPL) and Central Depository Company of Pakistan Limited (CDC) for the purpose of effecting transaction and settlement of listed securities. It is expected that all securities deposited with NCCPL and CDC will be clearly identified as being assets of the Fund, hence management believes that the Fund is not materially exposed to a credit risk with respect to such parties.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit-worthy counterparties thereby mitigating any significant concentration of credit risk.

Settlement risk

The Fund's activities may give rise to risk at the time of settlement of transactions. Settlement risk is the risk of loss due to the failure of counter party to honour its obligations to deliver cash, securities or other assets as contractually agreed. Credit risk relating to unsettled transactions in securities is considered to be minimal as the Fund uses brokers with high creditworthiness and the transactions are settled or paid for only upon delivery using central clearing system.

19.3 Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting its obligations arising from its financial liabilities that are settled by delivering cash or other financial assets or that such obligations will have to be settled in a manner disadvantageous to the Funds. Liquidity risk also arises because of the possibility that the Fund could be required to pay its liabilities earlier than expected. The Fund is exposed to cash redemptions of its units on a regular basis. Units are redeemable at the holder's option based on the Fund's applicable redemption price calculated in accordance with the Fund's constitutive documents and guidelines laid down by the SECP.

Units of the Fund are redeemable on demand at the holder's option, however, the Fund does not anticipate significant redemption of units.

The table below analyses the Fund's financial assets and financial liabilities into relevant maturity groupings based on the remaining period at the statement of assets and liabilities date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

24. UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund's capital is represented by redeemable units. The Fund is required by the NBFC Regulations, to maintain a minimum fund size of Rs.100 million, to be maintained all the time during the life of the scheme. The units issued by the Fund provides an investor with the right to require redemption for cash at a value proportionate to the unit holder's share in the Fund's net assets at the redemption date.

The Fund's objective in managing the unit holders' fund is to ensure a stable base to maximise returns to all investors and to manage liquidity risk arising from redemption. In accordance with the risk management policies, the Fund endeavors to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption, such liquidity being augmented by disposal of investments.

For the month ended April 2020	Rs. 1.1416	April 30, 2020	-	-	1,658
			-	-	12,912

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

As per the distribution policy contained in the offering document, the Fund is required to ensure monthly streams of cash flows to the unit holders. In case, where the Fund suffers losses in the month due to equity portion loss, the monthly payment is required to be made by redeeming the appropriate number of units of the unit holders on the basis of previous 6 months average rate of dividend distribution per unit.

26. CORRESPONDING FIGURES

Corresponding figures have been re-classified, re-arranged or additionally incorporated in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications were made in these financial statements.

27. IMPACT OF COVID-19

A novel strain of Coronavirus (COVID-19) that was classified as a pandemic by the World Health Organization on March 11, 2020, impacting countries globally. Measures taken to contain the spread of the virus, including lock-downs, travel bans, quarantines, social distancing, and closures of non-essential services and factories triggered significant disruptions to businesses worldwide and in Pakistan, resulting in an economic slowdown. During the lockdown that lasted from March to May 2020, the funds continued their activity, although on a slower level, as the Pakistan Stock Exchange and the money markets continued trading. Management Company is of the view that while COVID-19 and its resulting containment measures have affected the economy, investors' confidence and adequate steps from the government and regulators have spearheaded recovery and subsequent events reflect that in due course, things would be normalised.

28. SUBSEQUENT EVENT – NON ADJUSTING EVENT

Securities and Exchange Commission of Pakistan (SECP) vide its letter # SCD / AMCW / MCBABSIL / MCBPFPF /03/2020 dated July 14, 2020, has approved the conversion of MCB Pakistan Frequent Payout Fund renamed as Alhamra Islamic Money Market Fund from Asset Allocation Scheme to Islamic Money Market Scheme with effect from August 20, 2020.

29. DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue on August 18, 2020 by the Board of Directors of the Management Company.
