REPORT TO THE DIRECTORS OF THE MANAGEMENT COMPANY FOR THE QUARTER ENDED SEPTEMBER 30, 2012

Dear Investor,

On behalf of the Board of Directors, I am pleased to present AH Dow Jones SAFE Pakistan Titans 15 Index Fund's accounts review for the first quarter ended September 30th 2012.

EQUITIES MARKET OVERVIEW

The KSE-100 index made an impressive start in FY13 and posted a return of 11.9% during 1Q FY13, outperforming most of the regional players. Although the market remained strong as far as returns are concerned, activity remained dull in terms of both volumes and turnover. Foreigners, however, made a strong return to the local market with a cumulative net inflow of US\$ 92 million during the period under review.

Major interest during the period remained in Construction & Materials, Consumer and Electricity Sectors where strong inherent bottom line growth, healthy payouts and favorable projected impact of fall in interest rates thrived investor interest. Highly levered companies were also remained in the limelight during the period amid aggressive policy rate cut of 150 bps by the SBP during the period. Strong corporate results as well as healthy payouts by key companies served to keep the positive momentum intact in the market.

FUND PERFORMANCE

During 1QFY13, AHDJ underperformed its benchmark by delivering 9.5% return as compared to benchmark return of 10.9%. AHDJ being a tracker fund, tried to mimic its benchmark allocations closely. The fund, however, on average remained invested around 96% while rest of the assets mostly got stuck in receivables, which remained the major cause of the fund's tracking error.

The Net Asset of the Fund as at September 30, 2012 stood at Rs. 100.58 million as compared to Rs 100.63 million as at June 30 2012 registering a an decrease of 0.05%

The Net Asset Value (NAV) per unit as at September 30, 2012 was Rs. 62.99 as compared to opening NAV of Rs. 57.50 per unit as at June 30, 2012 registering an increase of Re. 5.49 per unit

FUTURE OUTLOOK

Along with attractive valuations and earnings growth, anticipation of accommodative govt. policies before upcoming general elections has also contributed towards strong investors' confidence. A sustained momentum, however, would require continued support on this front along with an improved fiscal and external account management. We therefore prefer to remain vigilant of fading triggers on macro front and potential opportunities arising out of micro dynamics in stock and sector allocation.

ACKNOWLEDGMENT

The Board is thankful to the Fund's valued investors, the Securities and Exchange Commission of Pakistan and the Trustees of the Fund for their continued cooperation and support. The Directors also appreciate the efforts put in by the management team.

On behalf of Directors,

Yasir Qadri

Chief Executive Officer

5 CONTIGENCY

Contribution to workers' welafre fund

The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending adjudication.

Subsequently, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. However on December 14, 2010 the Ministry filed its response against the Constitutional petition requesting the court to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in Court.

During the year ended 30 June 2012, the Honourable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional and struck them down. The Management Company is hopeful that the decision of the LHC will lend further support to the Constitutional Petition which is pending in the SHC.

In view of the afore mentioned developments and based on legal counsel, the Management Company firmly believes that there is no compelling reason to make provision on account of WWF contribution in the financial statements. Further, the Management Company also expects that the constitutional petition pending in the Honourable High Court of Sindh on the subject as referred above will be decided in favour of the Mutual Funds.

The aggregate unrecognised amount of WWF as at September 30, 2012 amounted to Rs.0.175 million. If the same were made the NAV of the fund would have been lower by Rs. 0.11 per unit.

6 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the management company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.

7 EARNINGS / (LOSS) PER UNIT

Earnings / (Loss) per unit has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculating earnings / (loss) per unit is not practicable.
